## *Gunstock Nordic Association Announces Children's Nordic Ski Program*

Gunstock Nordic Association (GNA), your local non-profit Nordic ski association, is offering a 9-week cross-country ski program for girls and boys in grades 2 through 8. Regardless of ability, skiers will learn to ski or improve upon the skills they already possess. Skiers will be separated into different groups based upon their age and ability. In addition to instruction by GNA's top-notch coaches, the children will play games on skis, too.

- Dates:** Every Tuesday and Thursday from 3:45 to 5:15 pm beginning December 27, 2011 and running through February 28, 2012.
- Where:** We will meet at the club house at the Gunstock Ski Area. The skiers will ski on groomed and well-lit cross-country ski trails with adult supervision.
- Equipment:** If you don't have equipment, rentals can be arranged. Please contact us for more info.
- Coaching:** Coaching will be provided by an experienced coaching staff.
- Cost:** Only \$150 per child, which covers the cost of the program but does not include annual membership in the New England Nordic Ski Association (NENSA).
- The first 20 respondents with a deposit will be guaranteed space. A second group may be formed, if possible.
